SOLID WOOD LOCKERS**

The background is a collage. On the left, a row of wooden lockers with brass handles and circular vents. A silhouette of a person is shown in a dynamic pose, as if running or jumping, against the lockers. On the right, two football players are shown. The player in the foreground is wearing a blue jersey and helmet, holding a football. The player behind him is wearing a black jersey with the number 31 and a white helmet. The lockers are made of solid wood and have a classic, hand-crafted appearance.
